'Domestic Air Passenger Traffic at 1.8'

MUMBAI: India's domestic air passenger demand plummet to 1.8% in July following the end of tourist season while the cumulative growth in traffic in the first four months stood at a mere 1.6%, the report said. According to rating agency Icra, the international traffic catered by the domestic airlines de-grew 14.7% in July over 0.6% of the industry with the local carriers continuing to underperform the industry on international routes and their market share declining by 528 basis points to 32.1% in July.
